RE: Supreme Court matters in Summerside

We are pleased to advise that beginning April 6, 2021, all **Supreme Court** matters being heard in Summerside will take place at Slemon Park, 40 Parkway Drive. This will include criminal Supreme Court matters where the accused is in custody, which were previously being held in the larger courtroom at the Prince County Courthouse.

As the Supreme Court registry is located at the Prince County Courthouse at 108 Central Street, all Prince County Supreme Court filings will continue to be accepted there.

We anticipate that Supreme Court matters will take place at the Slemon Park location for the next several years.
