**RE: Supreme Court matters in Summerside**

---

Further to the previous memo of the Court Services Manager, dated June 29, 2020, due to the requirements for social distancing, and the limited space available at the Prince County Courthouse, all **Supreme Court** civil matters being heard in Summerside will continue to take place at the Loyalist Country Inn, unless counsel is specifically advised otherwise by the Court.

Criminal Supreme Court matters where the accused is in custody will be heard in the larger courtroom at the Prince County Courthouse, but counsel will be informed on a case by case basis if the location is to be changed.

We anticipate that this plan will continue until the end of December, 2020.
